ALBERT WEBER

MANUFACTURER OF

Grand, Upright and Square

PIANOS

The very best material and workmanship only are used in the construction of the ***Weber Pianos,*** *and in every particular they are the best manufactured.*

They are given the preference over all others by the renowned artists of the world, and used by them in private and public as ***possessing the purest musical quality,*** *combined with* ***fulness and strength in the body of tone.*** *The sympathy and eveness of the different registers of the scale is a noted feature of the Weber Piano, and highly distinguishes it from and above all others.*

For private or public use it stands at the head of the list, and should be well considered by all purchasers.

The various styles and sizes of the Weber Pianos may be seen, and all information given on application at the Warerooms,
